

OCSAA STCC Commander's Note (9/12/2021)

As you may know, the annual Board Meeting and OCS reunion is held at Ft. Benning every year, or it was until Covid-19. The reunion for May 2022 has been canceled. As an alternative, OCSAA is considering regional Mini Reunions, a two day concept with much yet to be determined. I attended the OCSAA quarterly Board Meeting via Zoom yesterday and STCC was asked to host and support a mini-reunion, one of the reasons being everyone wants to come South during winter. I replied that we would look into it and get back to OCSAA with a response. March would be the most likely time for such an event, with the number of attendees approximately 100, although this is yet TBD. Such an event would involve one or two nights in a hotel, dinner, visit to an area attraction, and possibly other activities. Phil, Donn and I are exploring the feasibility of STCC hosting, either here on the Space/Treasure Coast or possibly in Orlando. If we conclude it is feasible, we may need to form a planning cell of 5-6 members in the very near future. Just a heads up.

If you have strong feelings one way or another, please let us know. Otherwise, stay tuned! Regards, Rob
