

OCSAA STCC Commander's Update #4 (10/21/2021)

To remind, the Space/Treasure Coast Chapter first general meeting will be at 1100 hrs, Saturday 06 November. The meeting will be held in the Veterans Memorial Center library, 400 South Sykes Creek Parkway, Merritt Island. Spouses are most welcome to attend. We anticipate about an hour for the meeting, followed by lunch (see below) and a tour of the VMC's excellent military museum.

Lunch will be catered by Jersey Mike's. We are planning to order a mix of their turkey, roast beef and Italian subs. If you have a preference for one or the other, or something else, please let me know in advance. The subs come with chips. Cost will be \$10/person, which we will collect at the meeting. Soft drinks are not included but are available at the VMC.

Please RSVP so we can get a headcount. Looking forward to seeing you on the 6th.

Attached is the agenda outline. Regards, Rob
